Physician Documentation

Please attach all documents with to this form

- Letter from a qualified physician confirming the existence of a disability
- Letter from a qualified physician giving recommendation that a service animal or emotional support animal is necessary and needed for the treatment of the individual with stated disability. The physician must affirm willingness to defend said recommendation should it be constested.
- Proof the service or emotional support animal is current and registered with the National Service Animal Registry

Service and emotional support animals shall have a proper enclosure and be in compliance with and under the authority of all other applicable sections of this ordinance.

If you would like a copy of Ordinance 294.1, please contact the city Office.

The registration shall be perpetual in nature and only for the animal and disabled person registered at the time. Registrations are not transferable. Registrants must notify the City when the animal is relocated to another address within City limits or if the animal is permanently relocated outside the City limits.
